

# Frontline Leadership for Municipal Authority Supervisors

Help your Authority's supervisors gain practical tools & strategies to engage their people and deliver meaningful results in this interactive, no-fluff program.

*I'll be the instructor: I'm Barry Wolfe, HR guy and author of the global bestseller, "The Little Black Book of Human Resources Management" creator of the highly praised "Lead Up, Lead In, Lead Out" municipal authority leadership program.*

## Session 1 – January 15, 2025:

**The 4Cs of Leadership** - Learn what it takes to become a great leader and start your journey towards becoming one.

**Controlling Yourself** - Removing supervisors' most common threat to success – their emotions

**Personal Productivity** - Clarify what matters most - and get it done

## Session 2 – January 16, 2025:

**Developing Team Members** - Build superior performance for low-to no-cost

**Team Building** - Build a winning team and become a winning team coach

**Leading Change** - Focus your people on doing it faster, better, and cheaper

*"Barry was an amazing instructor who grabbed your attention from the very beginning of each class. He was able to make all information relatable and provided great examples and scenarios to help engage with the class. He opened my eyes to a new perspective with my approach in managing others. This class has already been a large help in my role at NBCMA and I hope to take another one of Barry's classes in the future!"*
